If It's Hip, It's Here: Putting A Fingerprint On Custom Wood Furniture. A Sterling Silver One.

Bespoke (or custom) furniture craftsman [Edward Johnson](#) makes beautiful original pieces of modern furniture from wood, with a very unique signature. A designer and cabinetmaker, he combines contemporary knowledge of ergonomics and design with the traditional craft of woodworking. Dining room tables, chairs, sideboards, nesting tables, and jewelry boxes made with exotic wood like rippled Sycamore and Zebrano, embody both luxury and functionality.
