

# Murano Cento

DINING TABLE: Ref. 1807

The *Murano Cento* extending dining table is a limited-edition of 3, and can be made in a wide combination of timbers. This piece utilises our own in-house Murano veneers for the inlaid pattern. The table can be tailored to suit your specific requirements within the realms of the design i.e. non-extending or a different plan view shape.

Please get in touch to discuss the many options available.
