CLOTHES VALET: Ref. 1524

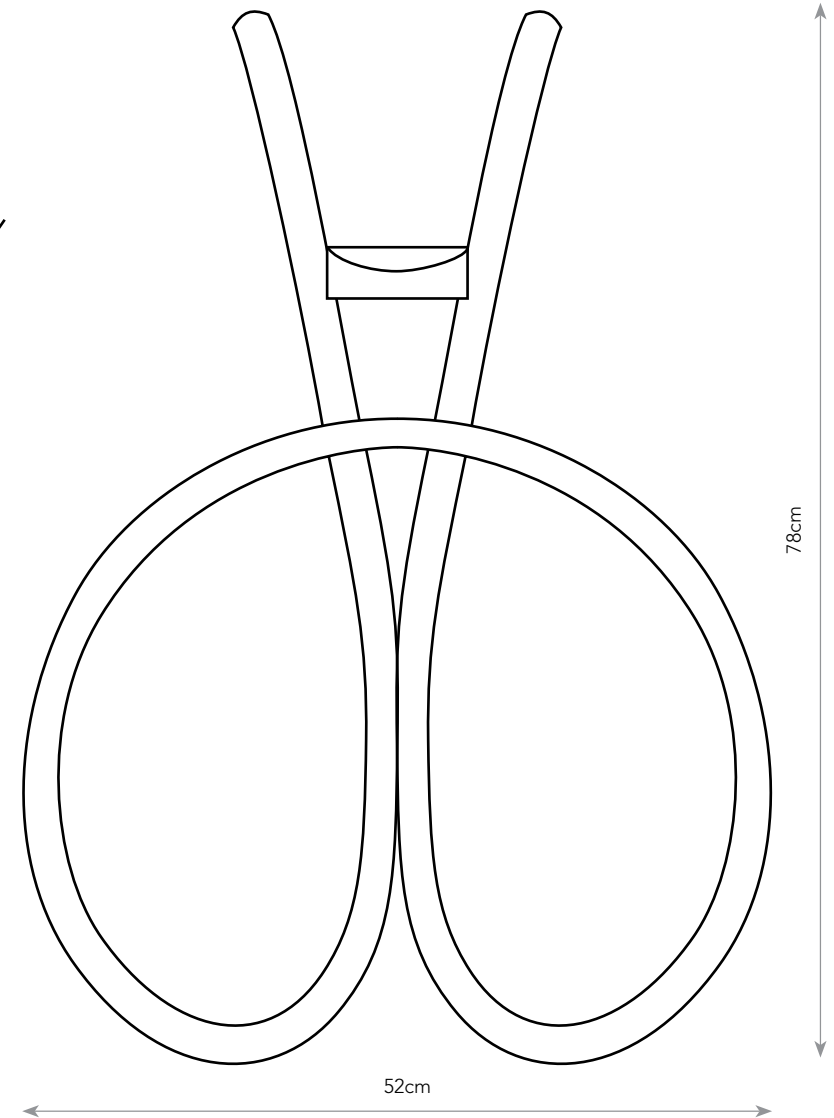

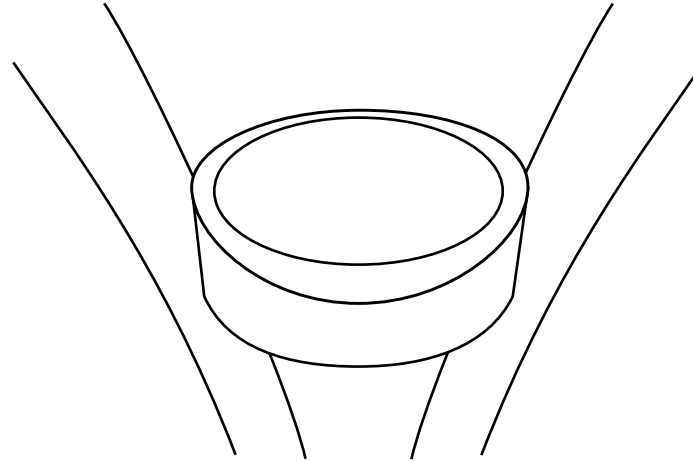

The *Undressed* clothes valet forms part of our Sussex Collection and is a limited-edition of 100.

The *Undressed* valet is a unique and innovative twist on a traditional form. When 'undressed' the clean, pristine lines are revealed and make a beautiful wall-hung sculptural form; when 'dressed' the valet becomes a highly functional product to hold your daily items, clothes and accessories.
