

Murano

KEY CABINET: Ref. 1936

Dimensions

43cm (w) x 70cm (h) x 9cm (d)

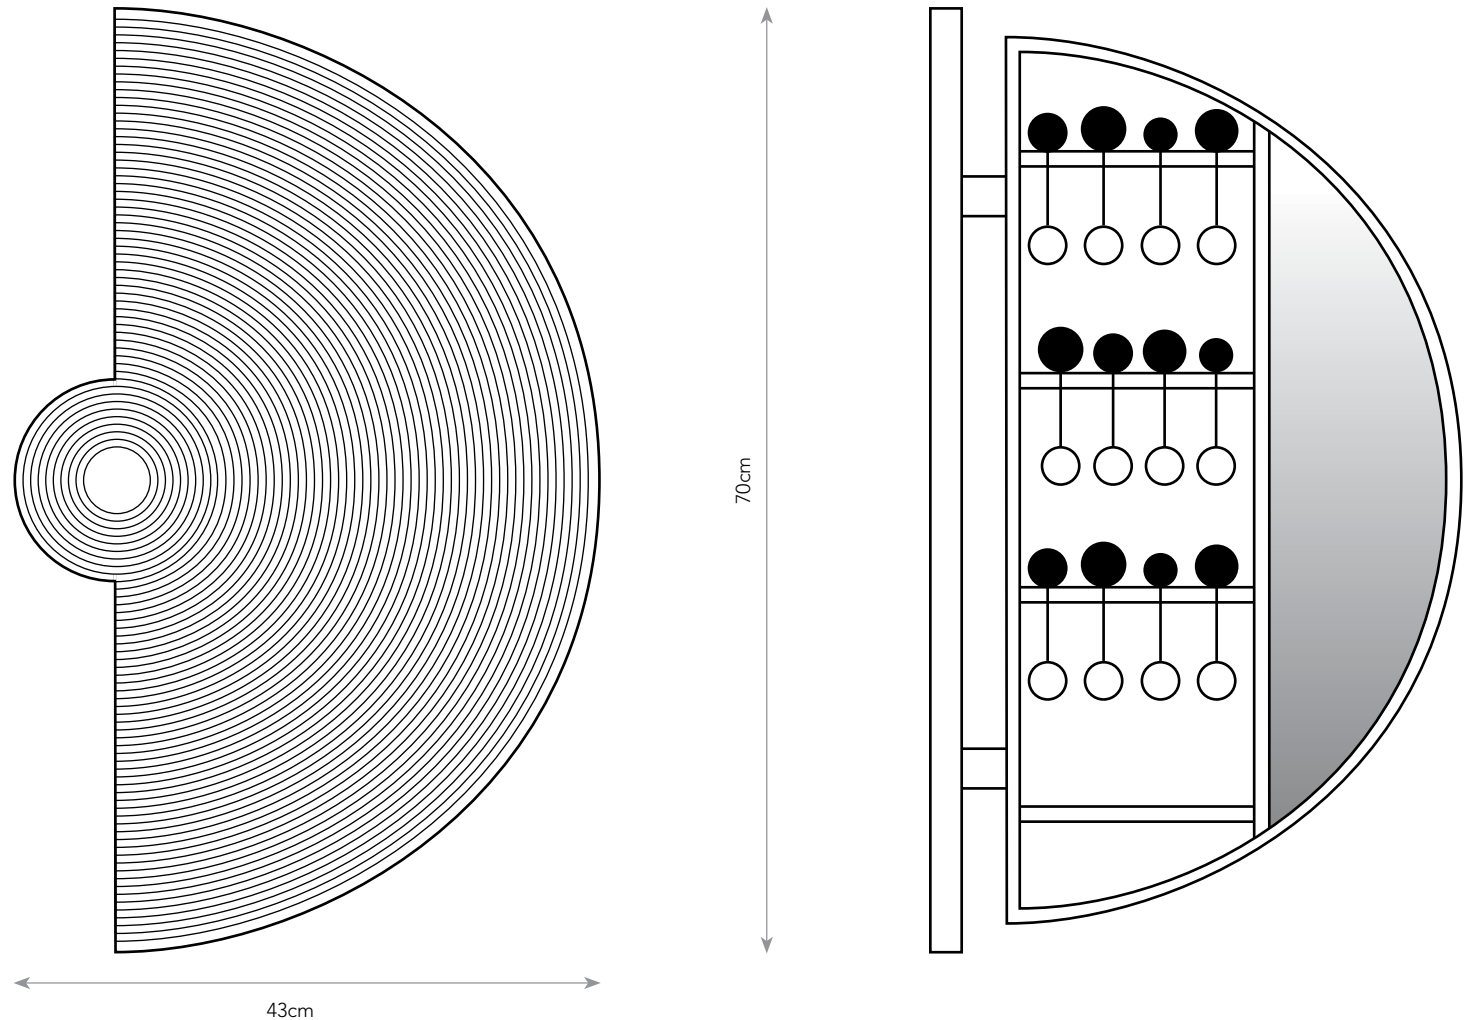

The *Murano* key cabinet utilises our own Murano veneers that represent the growth rings of a tree. On this occasion the veneers have been shaped into a beautiful semi-circle, stemming from a circular core. The gradient has been carefully calculated and starts with the lighter-coloured maple at the centre flowing through to London plane and then elm to create a stunning tonal blend.

The body of the cabinet has been made from maple and we offer a choice of a left or right opening door. Inside three rails hold the specially made key fobs with space at the bottom for your wallet or mobile phone. The cabinet also houses a curved mirror.

You may want to tailor the design to suit your specific requirements so please get in touch to discuss the many options available.
