

Orbis

RIPPLES DRINKS CABINET Ref. 1411

Orbis embodies innovation and precision craftsmanship at its best, with its contemporary twist on Art Deco.

The top lifts to reveal a central serving area that has a beautiful ripple carved into the corner. The doors open effortlessly to reveal curved shelves where you can store your bottles of champagne and wine.

Limited edition: 3

Awards: Bespoke Guild Mark (No. 458)

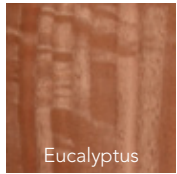

Our rippled forms are produced in-house and made using a unique technique that has been developed and perfected by Edward Johnson.

We have a selection of pieces in our Ripples Collection. Additionally, our rippled concept can be applied to nearly any piece of furniture with any desired function, in almost any wood for your bespoke commission.
